Call to Worship

Leader: The Creator said: “Let the earth bring forth living creatures of every kind: Cattle and creeping things and wild animals of the earth of every kind.”

People: We are grateful for this good creation.

Leader: “God said, ‘Let us make humankind in Our image, according to Our likeness.’”

People: We are grateful for the gift of our lives.

Leader: The Creator said: “See, I have given you every plant yielding seed that is upon the face of all the earth, and every tree with seed in its fruit; you shall have them for food.”

People: We are grateful for the good food You have given us.

Leader: You are our caretaker, may we reflect You as we care for creation and for the image of God in each other.

All: Thanks be to God!

Peace Moment

Sharon Baker

Where have you acted or seen others act for peace this past week?

Prayer of Confession

All: Gracious God, in Christ You call us to unity of mind and purpose, but we confess that our hearts are often turned toward separation and division. We quarrel; we encourage rivalries; we tear down our brothers and sisters in faith. Help us to remember that we share one bread and one cup around Your table. Teach us to hold fast to those promises which draw us together in the Spirit, so that we may proclaim the power of Christ's life and ministry with one voice.

Words of Assurance

Leader: Receive the good news: There is no place, not even in our hearts, where the love of God cannot penetrate. God is around and among us, healing, restoring and calling us to new life as one body, united in Christ.

People: Praise be to God for the gift of forgiveness and the promise of peaceful unity!

Sermon Notes

- Have you ever heard the word "dominion" in Genesis 1:26 and 28 used to justify environmental degradation? If the word is re-interpreted as "caretaking," how does that change humans' relationship with creation?
- "At the center of Christianity is a table." How has food shaped your faith and your spirituality?
- One way we can move forward as a church in the midst of political and theological diversity is this: We keep eating together. Do you agree with this? What are other ways?

Announcements

Elders are requesting that cluster groups forward names of individuals for potential involvement with Outreach Commission and Nurture Commission. Also, we ask that each household reflect on their gifts and how they might support the work of our commissions this year. Again, **Elders are asking clusters to meet within the month.** They would like to visit with each cluster to hear thoughts on the past year and the idea of a long-term pastoral team. Elders hope to visit each cluster before the annual business meeting at the end of January. Thank you!

Word of Thanks

Dear Church Family,

We enjoyed the cards some of you wrote to us last Sunday. We like the funny monkey one that says "Hang in there." That is what we are doing. It was so nice to hear from you with encouraging, loving words. Dennis brought them Monday when he spent the day with us at the 2 appointments. We love you, too!
